### **UPPA TAKES THE FIGHT AGAINST CORRUPTION TO TSHWANE HOUSE**

**25 SEPTEMBER 2026**

**Immediate Release**

The United Progressive People Alliance (UPPA) will take its fight against corruption, maladministration and failing municipal governance directly to the City of Tshwane on Friday, 25 September 2026.

UPPA will lead a march through Tshwane, demanding accountability, transparency, consequence management and an end to the abuse of public resources.

The march will assemble at the Old Putco Bus Depot in Marabastad at 10:00 and proceed to Tshwane House, where UPPA will formally deliver a Memorandum of Demands to the City of Tshwane.

The march is a direct call for a municipality that works for residents rather than political interests, patronage networks and those entrusted with public resources who fail to account for them.

UPPA calls on residents, community activists, civil society organisations, workers and all concerned citizens to join the march and make their voices heard.
